BLACKBURNE
HOUSE

Welcome to Blackburne House

Our magnificent Grade II listed building, located in the heart of the Georgian Quarter, provides a beautiful location for your special day.

Dating back to 1744, Blackburne House retains its original charm and style, offering a wedding venue with a difference. We offer a range of tailored services which are complemented by the locally sourced and freshly produced menu options from our very own Bistro.

Blackburne House is an award winning social enterprise that supports the education of local women. The building has a deep rooted history of providing education to women and girls - dating as far back as the mid-1800s as the first girl's school in the country. Each of our suites is named after an inspiring woman that has helped to shape the city of Liverpool.

By choosing Blackburne House, you too are helping to shape the city as all profits from our wedding services are reinvested back into our social enterprise to support educational opportunities for local women.

We look forward to hearing from you to see how we can shape your visions and ideas into a reality.
