

Level 1 Award in Skills for Professions in Horticulture, Environmental and Animal Care

The **Level 1 Award in Skills for Professions in Horticulture, Environmental and Animal Care** provides introductory vocational knowledge and skills, together with study skills and 'green' skills, to learners who wish to progress within the field of horticulture, environmental and animal care. It is a useful introduction to learners exploring outdoor careers in these areas. You will study how to become more 'green' as well as learning practical outdoor skills.
