

Pre-Access to Health Care Professions

Thinking about a career in healthcare but not quite ready for an Access to Higher Education course? Our **Pre-Access** course is designed to help you build the knowledge, skills and confidence to take that next step.

You'll develop an understanding of the science that underpins healthcare while improving your study skills and preparing for further education. Whether you're returning to learning, need to strengthen your academic skills or don't yet meet the entry requirements for an Access to HE Diploma, this course provides a supportive starting point.

On successful completion, you'll be well placed to progress onto an Access to Higher Education Diploma in Health Science Professions or another Level 3 health-related qualification, bringing you one step closer to a career in healthcare.

Entry Requirements: You will need to have GCSEs in Math's and English or Functional Skill Level 2 or be willing to work towards achieving these alongside the course.

Acceptance onto this course is subject to successful guidance interview & assessment test

Assessment: There will be a mix of continuous assessment methods including essays and case studies.

Awarding Body: SEG Awards

Progression Route: This course is ideal for those who wish to progress on to the Access to Higher Education - Health Care Professions course.
